

The Lord-Lieutenant's Fund for Young and Talented

Dorset is home to a diverse array of talented young people covering a range of activities including sport, the arts, science and beyond. Some of the county's brightest prospects, however, lack the means to pursue their dreams fully.

The Fund will support young people who have exceptional talents, but need additional funding to fulfil their ambitions or reach their potential. In particular, gifted young people between the ages of 14 and 21 will be eligible to apply.

The fund will open for applications in 2016 and we are currently appealing for donations.
