## Vision and Mission

Our vision - A united and thriving Dorset built on a culture of giving and philanthropy.

Our Mission - Raising funds for those most in need in Dorset.

The Foundation is a Quality Accredited member of UK Community Foundations (UKCF), the umbrella body for the network of Community Foundations.

#### Structure, Governance and Management

#### **Establishment**

Dorset Community Foundation is a charity which was founded on 14 June 2000. It acts as a conduit to local philanthropy, linking private and public funders with small community projects across Dorset. It is an accredited member of UK Community Foundations, a national association which promotes and supports 46 Community Foundations across the country.

## **Board Appointments**

The Memorandum of Articles and Association of the charitable company provide for an unlimited number of trustees who are directors of the company all of whom must be members (at the time of writing those on the Board of Trustees are the company's only members). At each AGM any trustee who is due to retire after their three-year term, who remains qualified, may be reappointed for a maximum of three consecutive periods of office. The Board of Trustees meet four times per year and to the date of this report are shown on page 1.

## Trustees' Induction and Training

New Trustees undergo an induction process to brief them on their statutory obligations under charity and company law; the Articles of Association; the charity's activities; organisation and decision making; current business plan and recent financial performance. For ongoing training purposes the Board undertakes ad hoc training as required, holds an annual away day to look at specific elements of the Foundation's work and engages with seminars and regional meetings organised by UKCF.

## Remuneration of Key Management personnel

The pay and remuneration of the charity's key management personnel, including senior management who have key responsibilities, are set by the Finance and General Purposes Committee which is chaired by the Treasurer. The charity adopts a 'market-based' approach to pay and associated employment terms. Pay is subject to benchmarking within relevant markets and is reviewed annually.

### **Board Subcommittees**

The Board has two subcommittees:

## A Finance & General Purposes Committee which ensures the proper administration of the charity including:

- · Financial management, the setting and reviewing of budgets and overseeing investment performance
- Developing efficient management information systems, controls and procedures
- Recruiting and managing staff, agreeing salaries and conditions of employment
- Health and safety matters
- Managing risk
- Planning for Board meetings including regular oversight of the Charity's three-year business plan
- Governance including trustee development and succession

## REPORT OF THE TRUSTEES – CONTINUED For The Year Ended 31 March 2020

## A Grants & Impact Committee which:

- Oversees grants made by grants panels and ensures these are in line with Foundation policy and strategy
- Keeps abreast of the needs in the area of benefit, the funding environment and other issues relevant to the Foundation's engagement with the community
- Reviews grant making procedures and application processes
- Recommends grant making strategy and targets to the Board
- Carries out appropriate analysis and follow up of grant making to fully assess and report on the impact of the grant making programmes and outcomes delivered
- Identify ways other than grant making for the Foundation to contribute appropriately to meeting the needs of local communities and monitor progress on the initiatives prioritised

## Fund Development is overseen by the full Board of Trustees which seeks to secure income by methods including:

- Identify and influence potential private, public and individual sources of funding
- Establish targets and ensure actions are taken to maximise statutory, private, legacy and endowment opportunities
- Ensure the Foundation has the right skills and tools to extend its funding base
- Oversee effective relationship management in donor development
- Scrutinise the relevant elements of the Foundations business plan
- Ensure all Board members and staff are actively involved in delivering these functions

Important decisions for the charity impacting on its strategy and financial position are made by the Board at Trustee meetings. During the pandemic these have been held more regularly to allow prompter response to changing circumstances. Decisions on grants and awards are made by panels set up for the purpose with oversight from the Grants and Impact committee. The Chief Executive has operational control and makes decisions on matters affecting the daily running of the Foundation, with trustee input where necessary.

#### **OBJECTIVES AND ACTIVITIES**

In March 2017 the Trustees agreed a Strategic and Operational Plan for the period 2017 to 2020. The Strategic Objectives of the Foundation within that plan are:

- Impactful Grant Making to deliver effective grant programmes targeting need in Dorset by knowing our focus and measuring our impact:
  - Deliver £250k p.a. in effective grants across a range of programmes.
  - Measure and report on the impact of our grant making
  - Aspire to identify and develop strategic grant programmes that meet identified needs
- **Growing Philanthropy** to inspire those with resources to provide money and support through us to meet needs in Dorset. To engaging with a range of donors to increase our potential to meet need in Dorset:
  - Build endowment to £5m by 31/03/2020
  - Obtain £100k of new flow-through funding by 31/03/2020
  - Deliver outstanding services to donors to increase their engagement
- **Being Fit to Succeed** to build a Board and Team with the diversity and skills to facilitate impactful grant making and philanthropy growth:
  - Secure the financial sustainability of the Foundation
  - Organisational processes focussed on strategy and operational efficiency
  - Ensure the organisation contains the necessary skills, identify gaps and train/recruit accordingly
- Leadership being leaders on both need and giving in Dorset, influencing others to engage with the development of
  philanthropy:
  - Update the Hidden Dorset Report in 2018
  - Complete Annual Stakeholder Analysis and develop strategies for engagement

#### **Grant Making**

The Foundation has a key role in grant management and distribution to Dorset voluntary or community groups, and in the case of the Bursary scheme for individuals. The Foundation provides support and outreach to enable organisations to receive funding and understand the terms and conditions of their grant award, and the monitoring and evaluation processes that are required.

All grantee organisations receive an 'End of Grant' monitoring form, which may be followed up by a visit from a member of the staff team or Trustees who will evaluate the progress and effectiveness of the grant. The Foundation will ask for monies to be returned if, for any reason, the group is unable to use the grant for its original, defined purpose - unless alternative conditions or a grant variation has been agreed prior to expenditure.

#### Risk Management

The principal identified risks to which the charity is exposed are integrated into the business plan to ensure they are regularly reviewed. The Charity also maintains a risk register which is reviewed by the Finance & General Purposes Committee and reported to the Board at each quarterly meeting.

## REPORT OF THE TRUSTEES – CONTINUED For The Year Ended 31 March 2020

#### **Fundraising Regulator**

The Foundation demonstrates its commitment to good fundraising practice and follows the Code of Fundraising Practice and the Fundraising Promise. The Foundation does not use professional fundraising agencies. No complaints have been registered against the Foundation during the year under review. We are registered with the Fundraising Regulator.

#### Objectives and Activities of the Foundation for the Public Benefit

Our activities are determined by our charitable objects:

- The promotion of any charitable purposes for the benefit of the community in Dorset, including Poole and Bournemouth and
  its immediate neighbourhood and in particular the advancement of education, the protection of good health both mental and
  physical and the relief of poverty
- Other exclusively charitable purposes in the United Kingdom and elsewhere which are in the opinion of the Directors beneficial
  to the community with a preference for those in the area of benefit

Our aim is to bring the benefits of local philanthropy, especially long-term support, to grass roots community projects across Dorset. To that end, Dorset Community Foundation holds funds on behalf of individuals, families, trusts, companies and statutory bodies investing them to provide further income for our charitable aims. We then engage with groups or individuals on behalf of these funders, promoting their criteria, making awards and collecting feedback. The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Foundation's aims and objectives and in planning future activities and setting the grant making policy for the year.

## **Achievements and Financial Performance 2019-20**

#### **Review of Achievements**

The foundation has made a significant difference to the local Dorset community by its activities and grant making. We are pleased to record that in the last financial year we have distributed £396,762 in grants to 180 local groups and individuals.

- The Lord-Lieutenant's Fund for Young & Talented continued to support disadvantaged future sports stars. 20 young people were supported during the year.
- The Youth Social Action Fund supported 11 groups with £45,000. The Fund supports social action in young people which
  involves activities such as campaigning, fundraising and volunteering, all of which enable participants to make a positive
  difference to their communities.
- The Neighbourhood Grants Programme distributed £43,830 to local groups.
- Our Bursary Programme continued to help young people in further education at our local colleges. 61 students were supported with £19,830.
- The Tampon Tax Fund, new this year gave grants of £37,792 to groups which are working with women and young girls specifically.
- Our Surviving Winter Appeal distributed £51,315 to older people in fuel poverty. This year we supported 238 households in fuel poverty in Dorset by working through Citizens Advice in Dorset (222) and The Centre for Sustainable Energy (16).
- New funds set up this year include, Lester Aldridge Fund, The Dorset Chamber Life Skills Fund, Designs for Humanity Fund, Small donations for Grants Fund, Dorset Coronavirus Community Fund (NET), Dorset Coronavirus Community Fund (Unrestricted) and the Corton Hill Fund.

## **Future Plans**

The year to 31 March 2020 was the third year of the Strategic and Operational Plan referred to above and the intention was to develop a new plan going forward. However, matters have been rather overtaken by the massive impact of the Covid pandemic, which has resulted in very significantly increased levels of activity.

A new strategic plan going forward is a priority for 2021. The high profile of the Foundation during the pandemic and the numerous new links it has developed with partners, including the local councils has meant that the organisation is ideally placed to push on to maximise the impact it can make in a county with so many in need, as evidenced by the Hidden Dorset report.

2021 will include the 21st anniversary of the formation of the Foundation and the trustees want to publicise and promote the good work the Foundation has done in that time so as to give the charity a firm platform to work on going forward. No organisation can stand still and the needs of our beneficiaries and potential donors change and we must reflect that in this our new plan which we hope to discuss at events celebrating the anniversary (Covid permitting).

Our limited resources will continue to be directed towards our main aims of increasing philanthropy and impactful grant-making. The experience of the current year will be put to good use as we continue to work with current, and develop future, partners which will make our input of greater impact overall.

## REPORT OF THE TRUSTEES – CONTINUED For The Year Ended 31 March 2020

#### **Financial Review**

The key performance indicators for the Foundation are:

	2020	2019
(Decline) / growth in endowment funds	(271,260)	402,792
Grants payable	396,762	305,595
Movement in Unrestricted funds (deficit)/surplus	(21,981)	(27,264)

The Key Performance Indicators demonstrate that the Foundation has continued to demonstrate its value to the community with an enhanced level of grants made, which is well above the level envisaged in the Strategic and Operational plan. Achieving this level of success is fundamental to our mission as this is where we can see the impact the Foundation has on those in need in Dorset. Our endowment funds have fallen primarily due to the reversal of the markets just before the year end due to the Covid pandemic, although at the time of writing the situation has substantially improved. Raising endowment funds is always a challenge but the team continue to develop leads, both for living donors and for legacies and the Trustees are confident we remain on the right track, although we have been unable to grow the endowment as fast as envisaged. We are also distributing grants from the Dorset Performing Arts fund, a flexible endowment, in line with the donors wishes.

Core funding remains a priority. Free reserves, defined as the level of unrestricted reserves less those reserves represented by fixed assets at the year end were low at £490 (2019: £22,200), and it is a priority for the Trustees to build these back up to the target level of at least three months unrestricted expenditure.

This can be achieved; by an increase in activity, both in new endowment and in grant making, where a proportion can be allocated to core funding; by direct grants and fundraising for core funding which are now a focus of the Trustees; by seeking funding of our programmes from our other funds, primarily from capital growth above inflation, where that is allowed; and by reducing costs generally.

All of these have been addressed during the period and subsequently with some success. The current year to 31 March 2021 was a very active one for the Foundation as it took a significant role in distributing Covid pandemic monies. As a result of this significant extra work more funds have been available for core funding. It also saw a continuation of the cost reduction programme commenced in 2019. Accordingly, unrestricted reserves are currently back to more healthy levels. The Trustees are committed to ensuring the long-term sustainability of the Foundation by ensuring higher levels of free reserves, at least in line with the target referred to above.

The Foundation continued to monitor the impact of the grants made to beneficiaries. This is a key aspect of the Foundations' work and purpose – the experienced staff employed by the Foundation review and assess the suitability of organisations for grants and monitor the results. The Grants Impact Committee oversees that element of the Charity's activity and has confirmed that it is satisfied with the charity's activities in this area.

## **Incoming Resources**

The Foundation's total incoming resources for 2019/20 was £633,783, representing a decrease on last year of £129,724. The overall funds of the Foundation decreased by £213,547 to £2,716,841.

#### **Investment Policies**

Central to the Foundation's mission is the development of endowment funds, providing sustainable support for local communities in the long term whilst tackling need and deprivation through appropriate, targeted financial support. The investment objective is to maximize the "total return" over the medium and long term, without taking undue risk. The aim is to maintain the capital value of the fund, allowing for inflation, and to generate a return (whether from capital gains, dividends or interest) for core costs and grants programmes. The Trustees may make decisions to realise capital from growth from time to time to support the grants programmes.

Our main stock market investments are managed by Smith and Williamson.

Funds received under the Community First Match Challenge are invested, as a condition of the scheme, in the COIF Charity Investment Fund managed by CCLA. This fund has performed well compared with investment markets generally and the trustees are satisfied with the returns obtained.

In 2016 we decided to join with the Community Foundations in Devon, Somerset and Wiltshire in a co-investment strategy. The group invests with Smith & Williamson. At the end of the year, 25% of investments held with Smith and Williamson were transferred to Quilter Cheviot, in-line with the consortium.

As mentioned above, markets suffered a significant decline in the last quarter of 19/20, due to the Coronavirus pandemic, Investments have recovered significantly following the year end.

Current asset funds not immediately required are held in bank deposit accounts.

#### Grants

Grant distribution during the year was £396,762 (2018/19: £305,595).

## REPORT OF THE TRUSTEES – CONTINUED For The Year Ended 31 March 2020

### **Restricted Income Funds**

Our restricted income funds as of 31st March 2020 totalled £196,402 ( $31^{st}$  March 2019 £116,708). These funds are not regarded as free reserves by the trustees.

#### Reserves Policy

A considerable part of the Foundation's income has consisted of statutory and non-statutory funding schemes which are uncertain and relatively short-term. The trustees believe it is necessary to retain reserves at a level to maintain operations between the time such schemes end and before new ones are secured. The awarding of new funding streams to the Foundation is subject to competition from other organisations and cannot be relied upon with any certainty. Free reserves must also be maintained to cover statutory obligations to our staff should that prove necessary.

The Board have decided this represents approximately three months unrestricted expenditure, this represents approximately £40,000.

The Foundation has been impacted by the Covid Pandemic, being unable to access its offices for much of 2020, but the financial costs have been limited. The grant making programmes have been stepped up and this has provided funds to continue to run the Foundation effectively. Accordingly, despite the deficit in the year to 31 March 2020, the Trustees are confident that the Foundation is a going concern.

## Trustees' Responsibilities Statement for Charitable Companies

The trustees (who are also directors of Dorset Community Foundation for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare full financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources including the income and expenditure of the charitable company for the year.

In preparing these financial statements the trustees are required to:

- Select suitable accounting policies and then apply them consistently
- Observe the methods and principles in the Charities SORP 2015 (FRS102)
- Make judgements and estimates that are reasonable and prudent
- State whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation

The trustees are responsible for keeping records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- There is no relevant audit information of which the charitable company's auditor is unaware and
- The trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

#### Auditors

A resolution to appoint Ward Goodman as the Charity's new auditor was proposed during the year and a proposal to re-appoint will be put forward at the forthcoming Annual General Meeting.

This report has been prepared in accordance with the special provisions of part 15 of the Companies Act 2006 relating to small companies.

This report was approved by the Board of Trustees and authorised for issue on 14th December 2020 and is signed on its behalf by:-

Jeremy Mills

Chair

## REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF DORSET COMMUNITY FOUNDATION

#### **Opinion**

We have audited the financial statements of Dorset Community Foundation (the 'charitable company') for the year ended 31 March 2020 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2020 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Material uncertainty related to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

## Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

## REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF DORSET COMMUNITY FOUNDATION

## Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

### Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement. whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate. they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

#### Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## NOTES TO THE FINANCIAL STATEMENTS

## For The Year Ended 31 March 2020

#### 1. ACCOUNTING POLICIES

## Accounting convention and basis of preparation

Dorset Community Foundation is a private limited company registered in England. In the event of the Charity being wound up, the liability in respect of the guarantee is limited to £10 per member of the Charity. The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activities are set out on pages 2 and 3.

## Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value.

The Trustees have considered the projected unrestricted income and expenditure of the charity in the twelve month period from the date of signing of the accounts. Although levels of income cannot be projected with certainty, as they arise from projects undertaken during the year, the Trustees are confident that, the steps that have been taken to increase core income and reduce core costs will ensure a substantially improved financial position. In the light of these considerations the Trustees believe it is appropriate to prepare the accounts on a going concern basis.

#### **Incoming resources**

All incoming resources are included on the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

The following specific policies are applied to particular categories of income:

## **Donations and Legacies**

Voluntary income is received by way of grants, donations, legacies and gifts and is recognised in the Statement of Financial Activities when receivable.

## **Charitable Activities**

Incoming resources from grants, where related to performance and specific deliverables are accounted for as the charity earns the right to consideration by its performances. Where the grant has been received but the right to consideration has not been earned as at the financial year end, the income is deferred.

### **Investment income**

Investment income is accounted for in the period in which the charity is entitled to receipt.

## Resources expended

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources. Grants offered subject to conditions which have not been met at the year-end date are noted as a commitment but not accrued as expenditure.

## Charitable activities

Costs of charitable activities include grants made and support costs as shown in note 5.

#### Governance costs

Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to statutory audit and legal fees together with an apportionment of overhead and support costs.

## Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Office equipment

- 25% on cost and 15% on reducing balance

#### Investments

Investments are recognised initially at fair value which is normally the transaction price excluding transaction costs. Subsequently, they are measured at fair value with changes recognised in "net gains/(losses) on investments" in the Statement of Financial Activities if the shares are publicly traded or their fair value can otherwise be measured reliably.

Current asset investments are short term highly liquid investments and are held at fair-value. These include cash on deposit and cash equivalents with a maturity of less than one year.

## NOTES TO THE FINANCIAL STATEMENTS - CONTINUED For The Year Ended 31 March 2020

#### **Taxation**

The charity is exempt from corporation tax on its charitable activities.

#### Cash at bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

#### Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

### **Financial Instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

#### **Pensions**

The charity has a defined contribution pension scheme. The cost of contributions to the scheme are charged to the Statement of Financial Activities as they become payable.

## **Fund accounting**

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity.

Restricted funds are subject to restrictions on their expenditure imposed by the donor or through the terms of a grant.

Endowment funds are expendable and are accumulated to provide a regular source of income in respect of both the charity's grant aid programme and grant making support costs.

Details of the nature and purpose of each fund is set out in note 17.

## Critical accounting judgements and key sources of estimation uncertainty

In the application of the accounting policies, Trustees are required to make judgements, estimates and assumptions about the carrying values of assets and liabilities are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. In the Trustees view there are no estimates and assumptions that have significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

## NOTES TO THE FINANCIAL STATEMENTS - CONTINUED For The Year Ended 31 March 2020

#### 17. MOVEMENT IN FUNDS – continued

#### Comic Relief

The fund commenced on 1st April 2009 with changing priorities over the intervening period. The focus is currently to support local communities suffering from economic and social deprivation across the county. It aims to empower local people, enabling them to create lasting change in their communities.

## The Surviving Winter Appeal

The fundraising proceeds of the Appeal combat fuel poverty and isolation for our older residents by making grants of £200 to individual households identified by working through agencies on the ground in Dorset such as Citizens Advice in Dorset.

### Marjorie Gordon Fund

An expendable endowment fund, established in April 2003 from a bequest to the Foundation from Miss Marjorie Gordon, for the benefit of academic achievement amongst young people to enable more children to go to University or further education.

#### **Dorset Education Trust for Children & Young People**

An expendable endowment fund set up by Dorset County Council. Income arising from the endowment is to be spent on supporting children and young people in education via the DCF Bursary Programme.

## **Dorset Communities Fund**

An expendable endowment fund, which accepts voluntary donations, with the aim of providing long-term sustainable support to develop and strengthen the work of Dorset based charities and community groups. The income of the fund will only be spent on Dorset specific organisations or community issues via the Neighbourhood Grants Programme.

## Bournemouth Communities Fund (formerly called the Bournemouth Bicentenary Fund)

An expendable endowment fund, which accepts voluntary donations, with the aim of providing long-term sustainable support to develop and strengthen the work of Bournemouth based charities and community groups. The income of the fund will only be spent on Bournemouth specific organisations or community issues via the Neighbourhood Grants Programme.

### **Poole Communities Fund**

An expendable endowment fund, which accepts voluntary donations, with the aim of providing long-term sustainable support to develop and strengthen the work of Poole based charities and community groups. The income of the fund will only be spent on Poole specific organisations or community issues via the Neighbourhood Grants Programme.

## **Tall Ships Fund**

An expendable endowment fund, which was set up in 2011 by a private donor who donated £15,000. This donation received matched funding of £15,000 under the Grassroots Endowment Challenge. The purpose of the fund is to provide an annual grant assisting disadvantaged young people living in Dorset via the Tall Ship Pelican's Sail Training scheme.

## **Bournemouth & Poole College Foundation Fund**

An expendable endowment fund, which accepts voluntary donations, with the aim of providing long-term sustainable support for students attending Bournemouth & Poole College. The income from the fund can only be used for the benefit of the students to support their further education at the College and is delivered via the DCF Bursary Programme.

## **Bournemouth & Poole Arts Prize Fund**

An endowment fund, which was established in March 2013 with funds from the sale of some of their Art Collection. The income from the fund is used to support the costs of the Annual Arts Prizes including the DCF Community Arts Prize.

### The Dorset Education Fund

A restricted revenue fund created to support groups working on extra-curricular and enrichment activities for 0-16 and 19+ years. This fund has now been closed in order to concentrate on growing the DCF Bursary Programme.

## DCF Bursary Scheme 16 to 21 years

The Dorset Bursary Scheme collects income from designated endowment funds and distributes this via the DCF Bursary Programme. Bursaries are available for students between the ages of 16-21 years who wish to study a vocational college course. The fund supports costs towards transport, study trips and special equipment & clothing.

#### Neighbourhood Fund

The fund collects income from designated endowments and distributes this via the Neighbourhood Grants Programme with the aim of providing long-term sustainable support to charities and community groups supporting people in Dorset.

## Salisbury Diocese Fund Social Welfare

An endowment fund established to support groups working to improve communities and the lives of people living in them across the part of Dorset contained in the Diocese of Salisbury, that is the Archdeaconries of Sherborne and Dorset. There is a particular focus on those areas experiencing the greatest deprivation and those areas identified by the Diocese as requiring more assistance and is distributed via the Neighbourhood Grants Programme.

### **Superior Stem Bursary Fund**

The fund is supported each year by Superior Seals Ltd, a Dorset technology/engineering business that offers an apprenticeship scheme. They offer bursaries of up to £1,500 to students age 16-21 in financial or other disadvantage, who are studying STEM subjects (Science, Technology, Engineering, Mathematics).

## Lord Lieutenant's Fund for Young and Talented

The purpose is to award grants to young people age 14-21 with an exceptional and recognised sporting talent who are disadvantaged due to financial or personal circumstances. The grants will help them to pursue their ambitions by helping with various costs.

#### **Dorset County Council Educational Trusts Fund**

The DCC Educational Trusts were transferred to Dorset Community Foundation, to be kept as an endowment fund. The income funds young people in education via the DCF Bursary Programme.

## The Joy and Lance Collier Fund

An endowment fund created with a legacy which distributes funding to community groups working in one of four priority areas, which will change on a rolling basis every year. Causes dear to Joy & Lance Collier: Education and raising aspirations in young people; Physical disability with a priority to people who are visually impaired or hard of hearing; Village and rural communities; Conservation. Grants are agreed with Joy and Lance's family.

#### **Youth Social Action Fund**

This fund has been developed as part of the #iwill campaign, which aims to increase youth volunteering and social action by 50% by 2020 and is being delivered by community foundations across England. Social action involves activities such as campaigning, fundraising and volunteering, all of which enable participants to make a positive difference to their communities. The continuation of the funding is dependent upon obtaining match funding from local sources, see Longleigh Fund below.

## The Toby's of Shaftesbury Fund

This Endowed Fund for young people in Shaftesbury was created by the transfer of a Charitable Trust of the same name to the Foundation. The objects remain to support young people's activities in the Shaftesbury area.

#### **Collins Fund**

The Collins Fund was set up by David & Tracy Collins with a transfer from their existing family charitable trust. Grants from the fund will be dispersed through the Neighbourhood Funding programme.

#### **Kitson and Trotman Fund**

Kitson & Trotman donate unclaimed client balances to an endowment fund where the interest supports community projects in West Dorset via the foundation's Neighbourhood funding programme.

## **Royal London Fund**

To celebrate Royal London's 150th anniversary, they wanted to make a difference in the communities where their members live. Royal London Members were offered the opportunity to nominate local community groups to receive an award of £5,000 to further their charitable objectives. The applications are assessed by the local Community Foundation and the subsequent awards paid via that Foundation.

## **MARS Fund**

Mars Chocolate UK launched a new product called goodnessKNOWS and 10% of sales profits go straight into the goodnessKNOWS® fund. Established in August 2017, the money is distributed to groups and individuals across the UK to help overcome disadvantage and build stronger communities. The programme is running in six areas: Northern Ireland, Scotland, Wales, Cumbria, Dorset and Milton Keynes.

## **Graham Burrough Fund**

The Graham Burrough Fund was set up via a trust transfer from a closing down charitable trust which has supported over 100 groups in the last 18 years. The Fund for Mental Health will support local groups working with people with mental health issues through the provision of grants.

## The Primrose Fund

This fund was set up in 2018 by local philanthropists Kelvin and Pippa Medley-Jones in memory of Kelvin's late mother Primrose. The donor directed fund is supporting community groups and charities based in the Christchurch and Bournemouth area. The main theme of the fund is supporting older people lead more active, healthy and independent lives.
