Welcome from the Chair of Trustees

Dear Applicant

Thank you for your interest in the Dorset Community Foundation. The Charity was founded with one simple aspiration - to make a difference in the lives of others through thoughtful, effective philanthropy. We are a charitable organisation that strives to help individuals and families, most in need, by fostering a culture of giving in Dorset.

As we emerge from the pandemic we will continue to research and highlight the extent of the social exclusion and poverty that exists in what many see as an affluent country.

We are looking for individuals who want to make a difference, who are energetic, committed and can demonstrate active engagement in their local communities and have a deep understanding of local issues and solutions. We have identified a number of key skills to strengthen the existing board and we would welcome applications from those involved in small community networks.

I hope you enjoy reading our recruitment pack. We all appreciate this opportunity to give something back to the beautiful county in which we live and love.

Our Advert

Dorset Community Foundation is a charity which links funders with small community projects across Dorset. For example, in the year 2019/2020 our Neighbourhood Grants Programme distributed nearly £44,000 to local groups and our Surviving Winter Appeal distributed over £51,000 to older people facing fuel poverty. Since 2000 we have awarded over £10m in grants and this financial year we are set to award over £1m to projects right across Dorset.

We are particularly interested in talking to people who are passionate about making a difference in their communities and have energy to influence how we use our funds. You may already have been involved with projects that support and benefit people who find life difficult sometimes. We are looking for people who would like to join our Board of Trustees or maybe you would prefer to shadow a more experienced Trustee? Either way, your insight and experience will help us to understand even better the need for funding for our Dorset communities and our ability to meet that. Being part of DCF is a rewarding and an enjoyable experience and we encourage ongoing development and training for all our Trustees.

We are a dynamic and supportive Board with a real vision for how we can contribute to improving life for people in Dorset. We see great value in bringing a greater mix of backgrounds and ages to our Board. Having a diverse Board is essential to us if we are going to understand our communities and be intelligent about our funding. We are also seeking people with a financial background and people who may have a background in HR and Local Government.

If you would like to find out more about Trusteeship and this opportunity please speak to our Recruitment Partner, Jackie Dawkins, of Shine Charity Recruitment (jackie@shinecharityrecruitment.co.uk) 01884/841751
Dorset Community Foundation is a charity which was founded on 14 June 2000. It links private and public funders with small community projects across Dorset. It is an accredited member of UK Community Foundations, a national association which promotes and supports 46 Community Foundations across the country.

We work with individuals, companies and other organisations to assist in delivering their charitable aims, and develop longer-term strategic giving programmes. This work enables us to distribute grant funding to Dorset based community groups and charities that provide services and support to people and communities within Bournemouth, Poole and across Dorset.

A small team of four full time and one part time members, we focus primarily on managing existing grant programmes, working closely with our fund holders and groups that need support as well as raising funds for future funding programmes.

Since 2000, the Foundation has grown from being a fledgling organisation to one that is firmly at the heart of community life in Dorset awarding millions of pounds during this time. Through its grant making and fundraising we have made a significant contribution to the lives of some of the county’s most disadvantaged people.

The Coronavirus emergency created a huge demand for support from hundreds of charities and groups, both established and emerging. Within days of the lock-down starting we set up our Coronavirus Community Fund and corresponding appeal which attracted donations from local
companies, generous local individuals, charitable trusts and national funders and as a result we were able award £1.5m in 2020. We have never been more relevant, acting fast and responding when Dorset needs it most.

**Future Plans and Objectives**

Dorset Community Foundation has ambitious plans to cement and build on its reputation as Dorset’s most effective grant-maker. Improving its reach and ability to make strategic and impactful grants, targeting where need is most or community issues arise.

Our objectives are simple, work with more people and organisations who have the capacity to give and deliver that goodwill to an increasing number of projects, charities and community groups. We constantly aim to be a significant part of Dorset’s response to emerging problems while also supporting those who have the potential to improve their lives and opportunities.

We have recently completed our strategic plan for the next 3 years which is available on request. We seek to become more efficient operationally and relevant to the needs of the voluntary sector in Dorset while also providing the very best options for donors and partners to help them achieve their charitable objectives. This is why we need to attract new people to our Board – either as Trustees or in a shadowing capacity so we can fully understand the needs of our community.
Financials

- Over the last 20 years Dorset Community Foundation has awarded over £10m in grants to Dorset based charities, community groups and individuals in need.
- Annual grant-making currently stands at c£500k per annum.
- Current Financial Year 20/21 - Dorset Community Foundation has raised just under £1m in response to the Coronavirus pandemic awarding unprecedented levels of grants to hundreds of charities and projects right across Dorset.

Our 2019-2020 Annual Report and Accounts are attached and our 2020-2021 Annual Report and Accounts will be agreed at our December Board Meeting.
